About Royce Mills

After failing during his first 2 years online, Royce learned an important lesson summed up by this quote from Calvin Coolidge (the 30th President of the United States)

"Nothing in the world can take the place of Persistence. Talent will not; nothing is more common than unsuccessful men with talent. Genius will not; unrewarded genius is almost a proverb. Education will not; the world is full of educated derelicts. Persistence and determination alone are omnipotent."

Royce pressed on and he's been earning a full-time living online since February 2006. He specializes in developing viral marketing systems and tools for entrepreneurs to help expand their businesses.

A few of his best-selling products and services include:

Royce and his wife, Connie, live in Texas with their 2 small children. When away from the office, James enjoys hanging out with his marketing friends, playing games with the kids, golfing with his Dad.

The model AutoXTen is based upon is a brilliant concept. It's all starts with a one time out of pocket cost of \$10. The low cost means anyone can participate. They use a 4 by 4 matrix with two stages. When the first stage is complete you will have earned over \$11,000 and when the second stage is complete you will have earned almost \$200,000.

Of course the ability to spend \$10 and possibly earn \$200,000 is very attractive and in a world of risk versus reward that's a pretty phenomenal ratio. Added to that is no requirement to personally sponsor anyone to collect that income. That in itself is phenomenal for the everyday person struggling in today's economy, but it is network marketing and you do also get rewarded for you efforts.

TOTAL POTENTIAL INCOME:
\$199,240
Income Disclaimer: Earnings Are NOT Guaranteed!

AutoXTen made their first launch announcement on June 13th and in less than 2 days they had over 11,000 people preregistered members. With those kinds of numbers it can be expected that AutoXTen will very rapidly reach the 1,000,000 member mark.
